

Compact 4m Spray Boom

SKU: ABM040

TTI's 4m galvanised steel boom is a popular choice for a range of boom spraying needs. The boom has inbuilt nozzle protection and comes spring loaded for heavy-duty breakaway, preventing damage to your spray gear and your property. We've designed this boom to be easily fitted to your existing sprayer, as well as adjustable. The flat-fold design keeps the centre of gravity low, minimising stress on both the boom and the sprayer. This boom comes standard with quality TeeJet air induction nozzles, providing even and reliable spraying. Looking for a quality boom to add to your sprayer? You won't find a better solution than TTI's Compact Spray Boom.
