

Economy 2m Boom

SKU: ABS020

Give your sprayer an upgrade with TTI's dual nozzle boom. This boom is easily installed to your existing spot or broadcast sprayer with just a few bolts. Made from galvanised steel, this lightweight boom allows you to easily adjust the included quick-attach boom bracket for the perfect spraying height. The deflecting dual nozzles are perfect for small to medium lawns, food plots, waterways and other applications up to two acres.

- » 2 metre spray width
- » Two 140° no-drip deflector nozzles provide a wide-mouth swath pattern
- » Steel adjustable brackets for perfect height
- » Minimum 8L/min pump 10-45PSI required
